

Best Practice: No. 2

01. Title of the Practice:

Cleanliness Drive of An Ancient Vairagad Fort.

02. Objectives of the practice:

01. To clean Vairagad Fort.
02. To know the historical background of Vairagad Fort.
03. To know the importance and preservation of an ancient fort.

03. The Context:

The regular students of the college and Educational Tour Committee decided to conduct Cleanliness Drive at an ancient Vairagad fort. 36 students including girl students and six teachers of the college went to Vairagad village where the fort is situated and went to Vairagad fort on 22/04/2022 and clean the fort and nearby area.

04. The Practice:

An ancient Vairagad fort is 40 Km away from our institution from Gadchiroli city. Vairagad fort is in Armori tahsil. Our six teachers with their personal vehicles decided to go to Vairagad fort. On 22/04/2022 with 36 students and six teachers started the journey from the college to Vairagad village at 8.30 am and reached to the destination at 10.00 am. The plastic tubs, spades and brooms with them to clean. After reaching there Dr. K. R. Bhandarkar (Asso. Prof in History) throw light on the historical background of Vairagad fort. The students got very inspired by the information about Vairagad fort and took oath

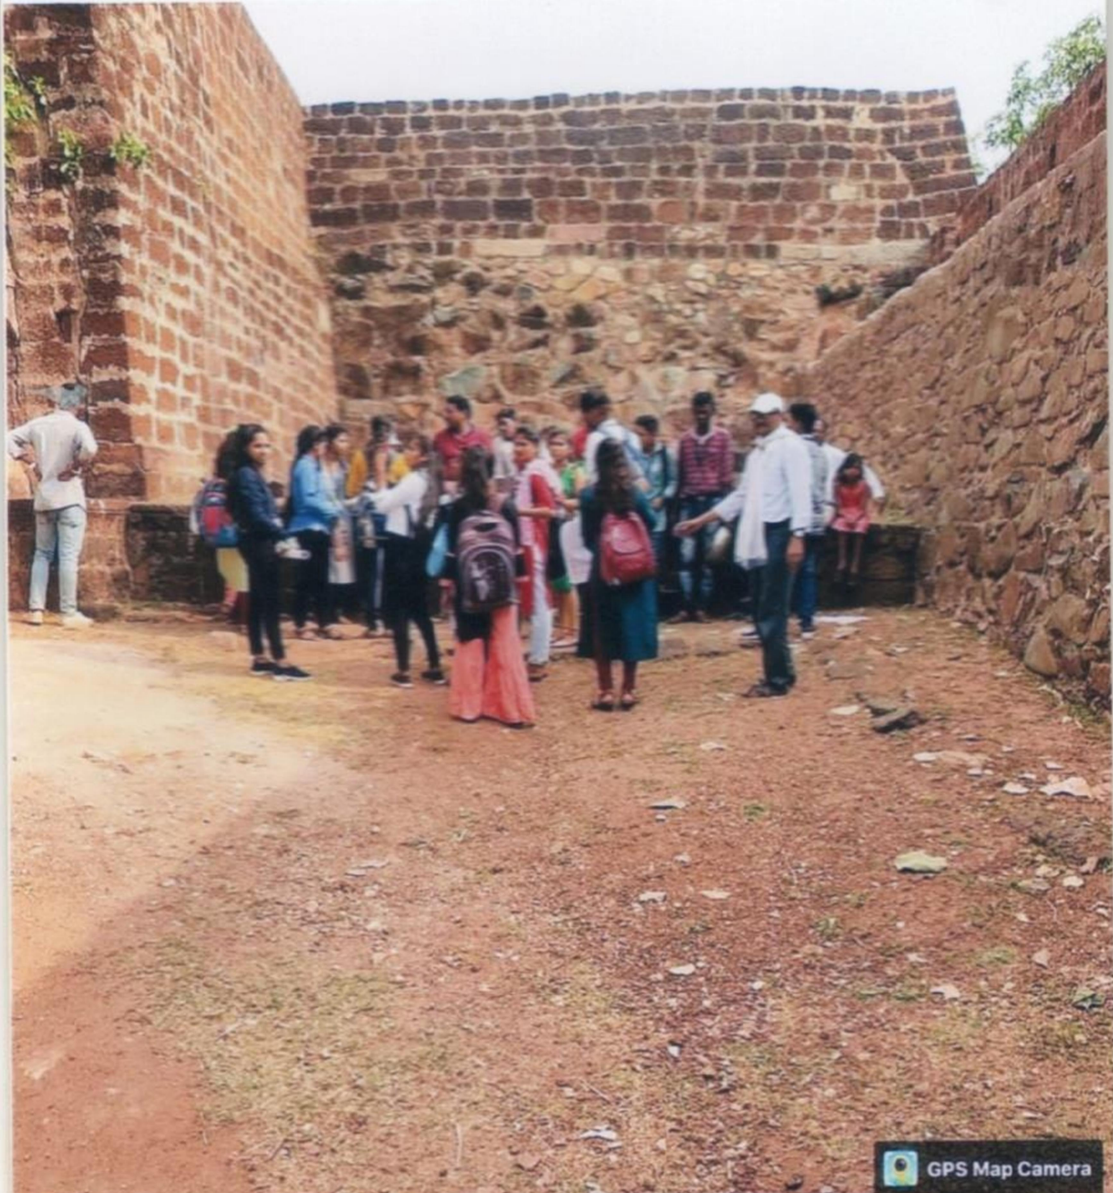

to preserve such an ancient legacy of India, like Vairagad fort. The fort area is too large and it was not possible for our students to clean all the area. So our students cleaned up the main parts of the fort and after getting the lunch which the students and teacher brought with them. At 2.50pm they started their return journey to the home town with great zeal and reached to Gadchiroli at 4.00 pm.

05. Evidence of Success:

The event is carried out in the session: 2021-2022. The report of the event and documentary proof with photographs are kept ready by the department.

06. Problem Encountered:

Due to financial problems we could not take more students for the drive because Vairagad Fort is 40Km away from our institution.
