

## Catch The Rain Campaign

Date of the Event: 04/04/2022 to 13/04/2022

Venue of the Event: Shivaji Mahavidyalaya, Gadchiroli

Organizing Department: National Service Scheme

### Objectives of the Event:

- No or only limited will water to flow out of the compound.
- To reduce water gushing onto roads, damaging them and will prevent urban flooding.
- To take water conservation at the grassroots level through people's participation.

### Brief Report:

The Volunteers of NSS strongly participated, "Catch The Rain Campaign", on 04/04/2022 to 13/04/2022 at Shivaji Mahavidyalaya, Gadchiroli. As part of the Catch the Rain Campaign, efforts will be made to remove encroachments and desilt tanks to increase the storage capacity of rainwater. The campaign will also focus on creating water harvesting pits, rooftop and check dams. Obstructions in the channels bringing water from catchment areas will be removed. Traditional Water Harvesting Systems like step-wells will be repaired. Additionally, defunct bore-wells and old wells will be used to put the water back to aquifers. Meeting of Nehru Yuva Kendra at Shivaji Mahavidyalaya, Gadchiroli. At this time officer Mr. Bankawar, guided students on 'Catch the Rain', and told the importance of water and why should we save water. And for that purpose, we have taken Drawing Competition on the importance of Water, 'Jal hai to Kal Hai' 06/04/2022 -Drawing Competition was taken under the topic of "Catch the Rain", Jal hai to Kal Hai. 13/04/2022 -Distribution of prize of Drawing Competition on the basis of "Catch the Rain".
