

## Induction Program

Induction program is generally organized by the college for the newly admitted students of semester –I, at UG level of Arts, Commerce and science stream students in the beginning of the academic session. The general objective of the program is to make them aware about the various courses, subjects, facilities, activities, infrastructure, rules regulation, various departments, etc.

The Induction program was organized in the Recreation Hall of the College on 14th October, 2021. Principal Dr. M. J. Meshram, all the faculty members, and concerned clerk of scholarship d Dept. were present in the Induction program. After welcoming all the newly admitted students all required information is given to the students by concerned Dept. The queries and question from the student's sides were resolved.
