

Mask Sanitizers Distribution

Date of the Event: 23 July, 2021

Venue of the Event: Adopted Village Jepra (Rajghata Mal)

Organizing Department: National Service Scheme

Objectives of the Event:

- 1) To educate people about the current pandemic through articles, videos etc.
- 2) To make them aware about our society's state of affairs
- 3) To make them capable of handling this difficult situation by providing them with the necessary resources such as masks and hand sanitizers and making them aware about the same.

Brief Report:

The Volunteers of NSS has participated "Distribution of Masks and Hand Sanitisers and Awareness Camp on the Covid-19 Pandemic" on 23 July, 2021 in the village Jepra. The NSS Unit of our college along with the Gramvikas Samiti of Jepra village conducted a wide scale campaign to spread awareness of Masks to prevent the spread of COVID-19. The campaign was driven virtually and was

spread throughout the lockdown period. Following the objectives of the campaign, volunteers of NSS Unit made videos and posts that taught the populace how to make their own masks using pieces of clothes which could be easily found at their own homes. Furthermore, Dr. J. G. Weekey, Programme Officer supported the campaign by safely delivering handmade masks to the poor people Dr. M. J. Meshram (Off. Principal) presided the Programme, students and teachers also present at the event.

Event Outcomes:

General population was made aware of the importance of wearing a mask and learning to do masks.
