Brief Report:

The volunteers of NSS observed International world Day on 22 March, 2022 at adopted village Kurhadi. The day is used to advocate for the sustainable management of freshwater resources. The intention is to inspire people around the community to learn more about water-related issues and to take action to make a difference. In 2020, due to the COVID-19 pandemic, there was an additional focus on hand washing and hygiene. Relevant issues include water scarcity, water pollution, inadequate water supply, lack of sanitation, and the impacts of climate change are demonstrated by the NSS volunteers including girls students at the village by playing a drama on street (Path Natya) of the
