

Bridge Course

Date: 14th September, 2022
Venue:- Recreation Hall of the college
Organizers:- Faculty of Humanities and Commerce & Management

Objective of the Event:

01. To introduce newly admitted student about the subject they offered for UG level.
02. To make them aware about their previous knowledge of the subject and advanced knowledge of the subject at UG level.

Brief Report:-

As the name of the event "Bridge Course", showed, it helps the newly admitted student of semester-I at UG level. The content of the course helps the student to make bridge of their previous knowledge of the subject taught at XIIth Std. with newly offered subject knowledge at UG level of Arts and Commerce stream. The chairperson Dr. M. J. Meshram presided over the function and told the newly admitted students about the various facilities available in the college and appealed them to use it. The course helped to diminish the fear about the subject at UG level. The subject teachers made them aware about importance of their subject. The teacher made them confident about to gain the knowledge at UG level. Respective subject teachers conveyed the information of their subject and made the bridge of their particular subjects and told them about the relevance and importance of the subject.

Event Outcomes:-

It helped the students to diminish the fear of the newly offered subject at UG level. It helped the students to cooperate with newly offered subject.
