## Best Practice No. 2

01. Title of the Practice:

To create awareness among the shopkeepers to use cotton clothes carry bags instead of plastic bags.

02. Objective of the practice:

- To make awareness to use the cotton clothes carry bags.
- To know the threats of plastic bags.
- To promote the public to carry with them cotton clothes bags during shopping.

03. The Context:

The girl students of the college prepared the cotton clothes bags in the college for providing to the shopkeepers of the city to create awareness among them about to use cotton bags instead of plastic bags.

04. The Practice:

Shivaji Mahavidyalaya Gadchiroli made a very good job by conducting this practice to create awareness among the shopkeepers of Gadchiroli city to use and promote cotton clothes bags instead plastic carry bags. The girls students of our college prepare the bags by sewing cotton clothes bags with help of college teachers. In the city the students and teachers provided the cotton bags made by girl students of the college to the shopkeepers and explained them the threats of the plastic bags and its side effects. Our

students made request to the people at the shop to avoid and refused to use the plastic bags and also appealed them to carry cotton bags with them during shopping.

05. Evidence of Success:

The detailed report of the practice is kept ready at the concerned department.

06. Problem Encountered :

It was not possible for us to prepare sufficient cotton clothes bags to give each and every shopkeeper of the city due to financial problems. We conducted this practice at the main square of the city.
