

Best Practice No. 1

01. Title of the Practice:

Public Support Wall in front of the college.

02. Objective of the practice:

- To help the needy and poor people.
- To make available the used clothes at the wall.
- To make little effort to shoulder social responsibilities.

03. The Context:

We all the stakeholder make a little effort to available the used clothes and used dressed of our family at the public support wall.

04. Practice:

Shivaji Mahavidyalaya Gadchiroli has set up a Public Support Wall in front of the college premises near the main gate of the college, near Dhanora road Gadchiroli. This wall is set up for needy people and poor people. It is very useful for them. We all stakeholders of our educational society and other nearby people of the society hang their used clothes and used dressed of the family at the wall and needy and poor people take it out for their used. This public support wall is well constructed with proper shade made up of steels. This public support wall is inaugurated by the chair-person of our educational trust Shri. Anil Patil Mhashakhatri along with other respected members of the trust. The teaching and non-teaching staffs were present in the said inauguration program. 06. Practice Output: The output of the activity is amazing. Our teachers, non-teaching staff and nearby people regularly hang their used clothes and used dressed of their children and needy and poor people got benefitted by it by taking it out as per their need. We all regularly hang our used clothes and dressed at the wall and needy and poor people regularly got benefitted.

05. Evidence of Success:

The detailed report of the practice is kept ready at the department.
And it is regularly benefitted by the needy people.

06. Problem Encountered: No any problem faced yet.
