

Tree Plantation Drive

Date of the Event: 09/08/2023

Venue of the Event: Shivaji Mahavidyalaya, Gadchiroli

Organizing Department: NSS and College Students.

Objectives of the Event:

01. To beautify the areas with greenery.
02. To maintain the ground water level.
03. To make aware students about plantation.

Brief Report:

NSS and the college students with the teacher staff conducted the plantation drive in the college premises. Our college owned 2.02 Hectare land, and it has sufficient open space for plantation in the open space beside the compound wall our students planted various types of saplings and we take care about its watering and their growth. Under the 'Meri Mati Mera Desh' drive the plantation Drive is conducted. 'During plantation drive students were understood the importance of plantation and green campus, and the process of plantation.

Event Outcomes:

Tree plantation is good for the environment. Students knew the importance of plantation and process of plantation. Students also understood the greenery in the premises make it beautiful. They also recollected and revived for rain the trees are important.
