

Shri Shivaji Shikshan Prasark Mandal, Gadchiroli's

Shivaji Mahavidyalaya Gadchiroli

Session: 2023-2024

Institutional Distinctiveness:

Shivaji Mahavidyalaya Gadchiroli is one of the leading colleges in the tribal district Gadchiroli. It is the first degree college in the district for catering the higher education to the students who were backward socially and economically, tribal section and from remote area which was highly Naxal affected. The college is established in the year 1971, it was the period where to think about the higher education was the dream for the students of this district. In such odd situation highly motivated people of the society established the Higher Educational Institution for the student of this undeveloped and Naxal affected tribal district.

This is the co-education college in Arts, Commerce and Science Faculty in the central place of the city and beside the Main Bus Stop of the city. Majority of the students who sought admission and are enrolled belong to rural areas and backward area. The College always strives to cater to the needs of the rural and tribal area students. One of the objectives of the college is to provide education to the poorest of the poor. In this way, College contributes to rural development in the area of education. It is the beauty and distinctiveness of our College in one area as far as the vision, priority and thrust are concerned. In such big college there is well equipped Central Library. As all we know the soul of the college means its library. It has a special wing for the library. The college has the biggest library in the district. It is equipped with more than 38000 (Thirty Eight Thousand) books, text books, Reference books, Encyclopedias etc.

The Distinctiveness of the college is that the college provides the facility of Reading Room in the Evening to the students and ex-students. Generally the Reading Room is open to all for studying during the working hour, but Evening Reading Room facility is made available for the students as per their demand. Our

students got benefitted by this facility in the evening period. The library of the college is one of the biggest libraries in the district and it is equipped with various types of books including the competitive examination books. The library has the physical and digital access to the material. Library has quiet areas for studying. There is Group study areas in the library for collaboration and group study. The library provides sufficient facility for students to access the internet and electronic resources. Library Administration provides cooler facility in summer season and Drinking water facility. Most of the students are from nearby villages and live in Hostels and on rent in the city. The Evening Reading Room is generally used by these students including girl students.
